ABOUT ME

- 1 and half years of Pre-Primary teaching experience with time to time upgradation of self with latest skills, knowledge, techniques and methodologies.
- Incorporated new and better teaching, learning styles -Visual, Auditory, Kinesthetics(VAK).
- Developmental milestones were taken care of in selecting the best age appropriate programme and activities for children.
- Implemented the proprietary 'Seven Petal' approach, which ensures the holistic development of every child, through play activities and collaborative group work.
- Practised Jodo Gyan approach with relevant strategies and methodologies for the better understanding of Mathematics.
- Created school level resources for students in form of creative teaching aids, worksheets and 'learning by doing' workbooks.

WORK EXPERIENCE

PRT | JUN 2019 - PRESENT DELHI PUBLIC SCHOOL, LUDHIANA

- Worked on specific aspects- effective lesson planning, importance of hands-on experience, developmentally appropriate practices, importance of environmental learning, child safety, health and nutrition for children.
- Focussed on creating a child-centric classroom rather than a teacher oriented one by becoming a 'facilitator' from a teacher.
- Upgrading myself with latest research based strategic learning and teaching practices and skills related to early childhood.
- Working together with parents to help children gain a better understanding and making them confident individuals.
- Preparing theme based bulletin and display boards to help children learn in an appropriate environment.

ADDITIONAL EXPERIENCE

- **Online Session conducted by CBSE on Creating a culture of learning (Mathematics)**
- **Online Session conducted by CBSE ON Multiples Intelligence**
- **NCERT COURSES**

Pedagogy of Mathematics

Pedagogy of Environmental Studies

School Based Assessment
